MISSION & VISION STATEMENT

MISSION

As a Barnabas Health facility, **Monmouth Medical Center Foundation** is a leader in identifying, cultivating and soliciting charitable gifts in support of Monmouth Medical Center's mission to deliver quality-driven, efficient and responsive health care services to the community.

VISION STATEMENT

Monmouth Medical Center Foundation, a charitable organization dedicated to supporting Monmouth Medical Center and its programs and services, has a five-fold mission:

- To develop and implement foundation programs that provide charitable financial support to Monmouth Medical Center.
- To demonstrate to the public at large how philanthropy benefits donors, patients and the community served by Monmouth Medical Center.
- To increase public awareness and enhance the community's positive perception of Monmouth Medical Center by being an advocate of the center's commitment to the community.
- To serve responsibly as the steward of contributed funds to Monmouth Medical Center.
- To develop candidates for leadership positions for Monmouth Medical Center Foundation and Monmouth Medical Center.

MESSAGE FROM THE FOUNDATION Board Chair & Vice President

This was a year of strong accomplishments for Monmouth Medical Center Foundation. We thank our Board of Trustees, supporters, and especially, our philanthropic leaders for their generosity and unwavering commitment to the health of our community and our region's leading hospital – Monmouth Medical Center (MMC).

Foundation Board members and staff work tirelessly to raise funds that benefit Monmouth Medical Center and the community it serves. Our success over the past year is evident in the many capital projects currently being unveiled throughout our campus. Notably, the Hiriar and Anna Hovnanian Foundation Regional Newborn Center, the region's largest state-designated Level III NICU, with one of the highest survival rates in the country, was completed and opened in 2013.

MMC proudly delivers more babies than any hospital in Monmouth and Ocean counties, and the third most within the state. To serve families in our community and their growing needs, the Foundation is currently funding an ambitious expansion of the Eisenberg Family Center, to include additional private postpartum rooms, as well as the second Scire Family Nursery for newborns.

To our oncology patients and their families, MMC will dedicate the new Cheryl L. Diamond Cancer Care Pavilion in 2014. This will centralize the many facets of our cancer care programs and services for over 50,000 patient visits annually.

Of the many awards we received last year, we were perhaps most thrilled and honored to have been chosen by the Asbury Park Press readers as "the best of the best" hospital in Monmouth County. This award speaks to the community's confidence in Monmouth Medical Center's stellar and compassionate care.

The pages which follow chronicle the accomplishments and the opportunities before us. Please join us in celebrating the past year and looking forward to the future of OUR Monmouth Medical Center. ■

ACCOMPLISHMENTS

In 2013, Monmouth Medical Center once again took impressive steps to maintain its position as the region's leading health care provider. The milestones attained during the past year serve to affirm Monmouth's commitment to excellence in clinical quality and performance improvement.

Monmouth was awarded straight A's for hospital safety for the second consecutive year by The Leapfrog Group, an independent national nonprofit organization. We were also once again voted the Best Hospital in Monmouth County by the readers of The Asbury Park Press newspaper.

Also in 2013, Monmouth Medical Center joined forces with Spirit of Women, an elite coalition of American hospitals and health care providers that ascribes to high standards of excellence in women's health, education, and community outreach. The renaming of our renowned children's hospital to The Unterberg Children's Hospital at Monmouth Medical Center in recognition of a major gift made by Ann and Thomas Unterberg was another significant highlight of the year.

Kimball Medical Center will be renamed Monmouth Medical Center, Southern Campus.

Among the new programs that debuted in 2013 was a Sudden Onset Seizure Clinic, developed by Monmouth Medical Center's Neuroscience Institute to provide newly diagnosed seizure patients with an expedited evaluation by an epilepsy specialist. Monmouth Medical Center hosted its first Matthew J. Morahan Screening event, to provide education, evaluation and assessment of sports injury and sports-related cardiac and concussion screenings. We also dedicated the Jacqueline M. Wilentz Breast Center at Lakewood, marking another milestone for the Wilentz Center.

The merger will result in seamless access to Monmouth Medical Center's renowned specialty services, particularly in the areas of geriatrics, oncology and neurology.

LEAD US TOWARDS...

THE FUTURE!

We became the first hospital in central and southern New Jersey to introduce robotic-assisted partial knee resurfacing and total hip replacement procedures known as Makoplasty. This latest example of pioneering robotic surgery at Monmouth Medical Center came on the heels of the hospital's milestone of performing its 2,000th robotic surgery!

In an effort to raise awareness of cancer in all its forms and educate the public about the importance of early detection and prevention, Monmouth Medical Center launched a unique cancer awareness campaign designed to strengthen the fight against every form of cancer. Roll Out The Ribbons is our long-term awareness campaign designed to bring together the surrounding communities in the fight against all types of cancer.

Barnabas Health announced its plans in January 2014, to merge Kimball Medical Center in Lakewood with Monmouth Medical Center to create an integrated, regionalized, two campus partnership. This new network of care will establish a stronger health care delivery model for the future and expand outpatient services to better manage the health of the populations served.

As we grow and expand, we will continue to focus on quality and innovation, and lead the region in providing the very best health and wellness care available. ■

Frank J. Vozos, M.D., FACS
President and Chief Executive Officer

LEADING THE WAY

Philanthropy is frequently understood to mean an act or gift done or made for humanitarian purposes. Yet Monmouth Medical Center's (MMC) philanthropic leaders are more inclined to align themselves with the second, lesser known definition—love of humanity.

The dedicated philanthropists and leaders featured here are committed to Monmouth Medical Center and know the meaning of philanthropy first hand. They value their engagement in the community and share among them a goal of raising philanthropic awareness for the programs and services at the Medical Center. These individuals have taken the position to lead, engage and make a difference. Their collaborative actions share with YOU, our supporters and the community, the mission of Monmouth Medical Center.

Our leaders value state-of-the art medical care, cutting-edge technology and equipment, quality health care education, and the most accomplished medical personnel. Through their gifts, and yours, we meet the needs of the community by working closely with the hospital to facilitate awareness and provide stellar family-centered medical care.

We are truly grateful for our community leaders, who are dedicated to advancing the quality of medical care in our area. Their unwavering commitment to the hospital and the community is greatly appreciated. ■

▲ Morgan E. Cline, August 26, 1932 – April 20, 2014

“The quality of care at Monmouth Medical Center is truly exceptional. Every staff member, from the housekeepers to the nurses and dieticians are all kind and friendly. It is an uplifting experience to be there as a patient or as a family member!”

– Morgan E. Cline,
Monmouth Medical Center Foundation trustee, honorary chair, Capital Campaign

In Memory Of MORGAN E. CLINE

The Cline-D’Onofrio Emergency Services Pavilion at Monmouth Medical Center is one of many footprints **Morgan Cline** left in our community. What he gave to the hospital will forever be remembered for generations to come. Morgan’s tenacity, mentoring and strength of spirit created a bond with the hospital and its staff that will be forever missed.

“Our goal is to provide services for families to raise healthy children, to be the voice in our community and to form family partnerships in wellness.”

– Tracy Brown, chair,
The Unterberg Children’s Hospital Leadership Council,
Monmouth Medical Center Foundation trustee

“As a member of Monmouth Medical Center’s Board of Trustees, I have had the opportunity to work with incredible people with whom I share a passion and a purpose. Marvelous medicine...and a few miracles...happen here.”

– Karen Siciliano, chair,
Cranmer Legacy Society,
Monmouth Medical Center trustee

▲ From left: Karen Siciliano, Tracy Brown

“My husband, Tom, and I hope that our gift will not only help create a healthy community, but also encourage others to learn more about Monmouth Medical Center and join us in support of this fine hospital.”

– Ann Unterberg, chair,
Monmouth Medical Center Foundation Board of Trustees

“It is an honor and a privilege to work with such an outstanding group of dedicated women wholly committed to advocating for patients of all cancers at the Leon Hess Cancer Center. I am so proud of the Council’s successful fundraising efforts, which have benefitted the Patient Navigator Program, the Tomotherapy Waiting Area and the Patient Infusion Unit, among many other of the Center’s needs. It gives me great satisfaction to play a role in this nearly twenty year old respected organization.”

– Claire Knopf, president, The Women’s Council at MMC

◀ From left: Ann Unterberg, Claire Knopf

LOVING PAWS

INSPIRING COMFORT & CARE

Did you know that some of **Monmouth Medical Center's** most effective caregivers are "Man's Best Friend"? We have twelve dogs of diverse breeds in our Pet Therapy Program that enhance the healing process for patients of all ages by reducing stress for both the patients and their families. Monmouth Medical Center's (MMC) team of volunteer handlers and therapy animals provide positive interactions that bring unconditional love from an animal to the bedside, which contributes to the emotional and physical healing process. Interacting with a dog has been shown to improve cardiovascular health and diminish overall physical pain. Mental benefits include decreased depression, lowered anxiety, decreased feelings of isolation, increased socialization, and reduced boredom.

Pet therapy dogs have been in The Unterberg Children's Hospital at Monmouth Medical Center since 2007. In fact, one of MMC's first therapists, Tilly, was recently inducted into the New Jersey Veterinary Medical Association's Animal Hall of Fame for her devotion to MMC's patients. From the first moment Tilly waddled into the front doors of the hospital, she acted like a veteran. She licked sad faces, sat patiently waiting for a squeeze from the children, and she never wavered when machines started to beep loudly next to her. Her human partner reports, "It seemed that Tilly was as comfortable within the chaos of a hospital as if she were lying on her favorite chair in our quiet home."

Tilly has been at MMC long enough to establish deep and meaningful relationships with both patients and their families. One pediatric patient was in treatment for years, with multiple inpatient stays. Tilly and the young patient grew quite close, and Tilly was with the family during the patient's final days.

The patient's family requested the comfort of Tilly at the wake. Tilly attended and stood quietly on the altar before resting at the foot of the casket, guarding the patient in rest. The therapy dog was then able to stay and help soothe everyone at the wake, especially the children. Tilly's handler reports that this was one of her most difficult, but rewarding experiences.

The Pet Therapy Program has proven to benefit the dogs, as well. Kahlua, a chocolate Labrador-Retriever mix joined the program after being rescued from an abandoned warehouse in South Carolina. She had multiple broken bones and lacerations. The Monmouth County Society for the Prevention of Cruelty to Animals heard about the puppy and had her transferred and treated at their Eatontown shelter. After a lengthy recovery, she was adopted by Margie Pardes, who soon realized that Kahlua's temperament would make her an ideal therapy dog. Kahlua and Margie have been a Monmouth Medical Center team ever since, frequently working in the Jacqueline M. Wilentz Comprehensive Breast Center, where Margie's husband, Dr. Jorge Pardes, is a diagnostic radiologist and director of Breast Imaging at the Jacqueline M. Wilentz Comprehensive Breast Center.

In 2013, the pet therapy program was fortunate to receive philanthropic grants from the Monmouth Park Charity Fund and the Jersey Shore Greek Festival Outreach Fund. External funding is essential as we seek to expand the program and add more loving paws to provide unconditional love, support, and comfort to children and adults. ■

Please contact **Laura A. Siemientkowski, Coordinator, Volunteer Services, 732.923.6671**, to learn how your dog can become a candidate for certification in The Pet Therapy Program.

“When you are diagnosed with Cancer, it's always with you; from the moment you wake up in the morning until you close your eyes to fall asleep at night. When I met Quincy, it all went away. It felt like I was with my own dog and he made me feel normal again. Quincy allowed me to hug and squeeze him, and it warmed my heart.”

– *Corinne, patient in the Bernard Fromkin Oncology and Special Care Unit at MMC*

MORE THAN A BUILDING

We know that a children's hospital isn't just a building; it is also the people within that building working together for the wellness of your children. The newly formed **The Unterberg Children's Hospital Leadership Council**, believes that happy and healthy children are our future. The Council supports The Unterberg Children's Hospital at Monmouth Medical Center's commitment to pediatric excellence by advocating for the health and wellness of children in our community.

This February, the Council hosted its first educational event on a subject that has captured the attention of virtually every parent: Raising Confident Children in a Social Media World. The speakers, Mary Harris, a specialist professor of public relations at Monmouth University, and Mike Seeley, RN with Barnabas Health, addressed how social media has revolutionized the way our world communicates and, in turn, the way our children learn, develop and interact. In this dynamic presentation, parents gained helpful suggestions for implementing safe practices at home and embracing this interactive media for the great learning opportunities it can offer. The Unterberg Children's Hospital's Leadership Council continues to advocate, educate and raise awareness of the hospital's programs and services. Look for future events this year. ■

THE Rechnitz FAMILY GIFTS 1.5 MILLION

The Monmouth Medical Center Foundation was thrilled to receive a \$1.5 million charitable contribution from **Robert M. Rechnitz, Ph.D., and Joan Rechnitz, Ph.D.**, to benefit **The Unterberg Children's Hospital at Monmouth Medical Center**.

"Drs. Rechnitz have proven their dedication to the Monmouth County community time and again through their philanthropic efforts," said Tara F. Kelly, vice president, Monmouth Medical Center Foundation. "We are so grateful for this generous gift, which is just one more testament to their commitment to area residents."

The Rechnitzes' gift marks the first seven-figure contribution to The Unterberg Children's Hospital at Monmouth Medical Center since it was named after the Unterbergs in September 2013. The donation will support the unrivaled pediatric care provided by The Unterberg Children's Hospital at Monmouth Medical Center, and allow for facility renovations and refurbishments. Additionally, it will provide patients and their families with a more comfortable environment, and an expanded pediatric intensive care unit that will better serve hundreds of children each year. ■

McLoones FUND AWARENESS INITIATIVE

Tim and Beth McLoone, longtime supporters of Monmouth Medical Center, decided to launch a special initiative in 2013 that raised both awareness and critical funds for **The Valerie Fund Children's Center for Cancer and Blood Disorders at The Unterberg Children's Hospital at Monmouth Medical Center**. Their son, Jack, was successfully treated for leukemia at the Valerie Center. During such a trying time, both parents took comfort in the fact that their son's treatment was close to home. This was a tremendous help during the most critical stages of his care.

Despite their losses from Superstorm Sandy, the McLoones persisted with their plans. All the McLoone's restaurants participated in the fundraising and awareness drive throughout 2013 including: Pier House in Long Branch, Boat House in West Orange, CJ McLoone's in Tinton Falls, McLoone's Asbury Grille, Tim McLoone's Supper Club, Asbury, McLoone's Bayonne Grill, and McLoone's Woodbridge. The staff at each restaurant worked closely with the staff at the Monmouth Medical Center Foundation to raise funds through events, restaurant sales, and such promotional items as t-shirts and pins, which were sold to highlight the fundraising campaign. All of us at the Foundation and in the Valerie Center are grateful to the McLoones for this initiative. ■

PRESENTS

POWER *of pink* ANNUAL LUNCHEON

at the home of CLAIRE and WOODY KNOPF

Thursday, July 10

BENEFITTING: The Leon Hess Cancer Center

Honoree

GREGORY A. GRECO, MD, FACS

Dr. Greco is the Chairman of the Division of Plastic Surgery, General Surgery Clerkship Director, and a member of the Board of Trustees at Monmouth Medical Center Foundation. He is the current President of the New Jersey Society of Plastic Surgeons, is dual board-certified in both Plastic Surgery and General Surgery, and is a Fellow of the American College of Surgeons. Dr. Greco has the distinguished honor of being voted "Best Doctors in America", "America's Top Surgeons", and "Top Doctors in NJ".

Guest SPEAKER

ARIANNA HUFFINGTON

Arianna is the chair, president, and editor-in-chief of the Huffington Post Media Group, a nationally syndicated columnist, and author of fourteen books. In May 2005, she launched The Huffington Post, a news and blog site that quickly became one of the most widely-read, linked to, and frequently-cited media brands on the Internet. In 2012, the site won a Pulitzer Prize for national reporting. In 2013, she was named to the Forbes Most Powerful Women list. In 2006, and again in 2011, she was named to the Time 100, Time Magazine's list of the world's 100 most influential people.

YOU CAN MAKE A
DIFFERENCE...

FOR **YEARS**
TO COME!

“I've chosen to invest in Monmouth Medical Center because giving back to the community and leaving a lasting legacy are important to me. There are so many ways that you, too, can support the hospital.”

— Karen M. Siciliano,
Cranmer Legacy Society chair,
Monmouth Medical Center trustee

The CRANMER *Legacy Society*

The Cranmer Legacy Society was established in 1995, in honor of Ella B. Cranmer, whose estate gifted Monmouth Medical Center \$4.5 million, the largest single donation in the hospital's history at the time. To design a giving strategy that meets your needs, please call or have your attorney contact **Maja Meighan**, at **732.923.7986** or email mameighan@barnabashealth.org

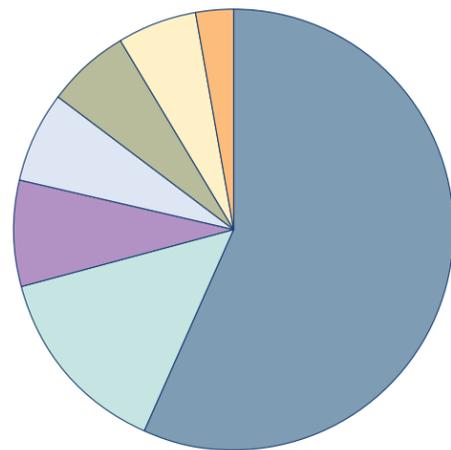

▲ Karen M. Siciliano, Cranmer Legacy Society chair,
Monmouth Medical Center trustee

Here are several ways to consider making a gift:

- Designate a specific dollar amount or percentage in your will;
- Donate a specific asset, such as land, a second home, or stocks and bonds held in a brokerage account;
- Create a trust to provide income for the hospital and have the remainder go to your family, or create income for your family and have the remainder go to the hospital;
- Name the Medical Center a beneficiary of all or a portion of your retirement plan or life insurance policy;
- Receive back a guaranteed high rate of income by contributing to a MMC gift annuity.

2013 ANNUAL FINANCIAL REPORT

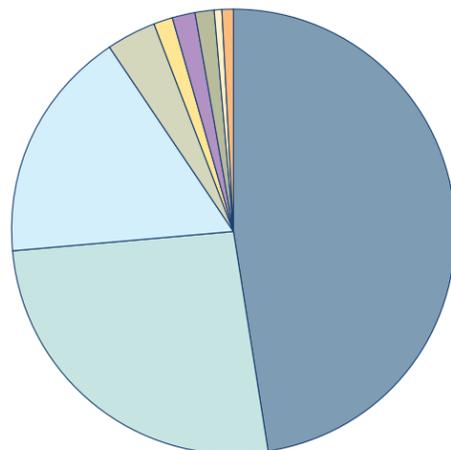

This Annual Report documents the generous support of many donors who made gifts from January 1, 2013 to December 31, 2013. During this period, **Monmouth Medical Center Foundation raised \$9,480,677** (including \$670,794 in public grants that are funded directly to the hospital from the state of New Jersey). At year-end 2013, the Foundation's total assets were **\$31,401,960**. The Foundation had an excess of income from operations of **\$5,913,534**. Contributions consisted of cash and pledges in support of the capital campaign, annual campaign, major gifts, planned gifts and bequests, special events and grants. The chart below shows this in greater detail. During 2013, the Foundation transferred **\$4,057,942** to **Monmouth Medical Center** in support of the hospital's various projects, programs and services as illustrated in the chart below.

2013 SOURCES of Contributions

Total Fundraising **\$8,809,883**
(Excluding public grants)

Capital Campaign	57%
Special Events	14%
Annual Giving	8%

GRANT TRENDS 2010 - 2013

45% INCREASE FROM 2010 TO 2013

PRIVATE GRANTS
PUBLIC GRANTS
TOTAL

GRANT SUMMARY

An upward trend continued in 2013 within our grant portfolio thanks to our outstanding medical staff, exemplary programming, and the dedicated efforts of the Foundation in identifying new sources of grants. Grant revenue totaled \$1,249,548 from both public and private grants for an increase of 15% from 2012.

Grants last year supported the following essential service areas:

- Outpatient Behavioral Health
- Colon Cancer screenings for underinsured men
- Cystic Fibrosis Center
- HIV clinic
- Hirair and Anna Hovnanian Foundation Regional Newborn Center
- Muscular Dystrophy Association funding for the Neuroscience Institute
- Palliative Care Center
- Specialized trainings for nurses and administrators through a partnership with Stevens Institute of Technology
- The Unterberg Children's Hospital
- The Valerie Fund Children's Center for Cancer and Blood Disorders
- The Jacqueline M. Wilentz Comprehensive Breast Center

KAY GUADAGNO & MEMORIAL AWARD & SCHOLARSHIP

The Long Branch Chamber of Commerce presented a \$3,500 check from their Chef Challenge for The Kay Guadagno Memorial Award and Scholarship Fund. The award and scholarship fund was established to help carry on the spirit of Kathryn "Kay" Guadagno, Assistant Vice President of Community Relations/Ambulatory Services at Monmouth Medical Center, who passed away in July 2013. Kay served as a guiding force in strengthening Monmouth Medical Center's ties within our immediate and surrounding community for over 35 years.

▲ Kay Guadagno

The Community Spirit Award will be granted to a Monmouth Medical Center employee who serves the community by volunteering their time on an ongoing basis beyond the scope of their job responsibilities, and who embodies the spirit of volunteerism and community service.

The Excellence in Outpatient Care Scholarship will be awarded to a clinical MMC staff member/caregiver who works at Monmouth Medical Center in the outpatient arena. Candidates for consideration must be a current employee of MMC, who is enrolled or seeking enrollment in a nursing/community health education program, or enrolled or seeking enrollment in a program to continue nursing/community health education.

For more information, please contact Sherald Bianchini: sbianchini@barnabashealth.org

▼ FROM LEFT: Howard Steel, president, Long Branch Chamber of Commerce, owner of Stelair Design, Long Branch; Brian Petersen, Kay's son; Sam Nativo, Chef Challenge event chair, Long Branch Chamber member, owner of Second Floor Restaurant and The Mix, Long Branch; Dominic Guadagno, Kay's husband, Tara Kelly, vice president, Monmouth Medical Center Foundation; Joan Wills, regional assistant vice president Geriatrics, MMC and Long Branch Chamber Board Member; Jamie Petersen, Kay's son; Susie Woolley, assistant director, Long Branch Chamber of Commerce; Nancy Kleiberg, executive director, Long Branch Chamber of Commerce

EMPLOYEE & MEDICAL-DENTAL CAMPAIGN

100%
PARTICIPATION
FROM
THE JACQUELINE M. WILENTZ
COMPREHENSIVE
BREAST CENTER STAFF

Monmouth Medical Center (MMC) prides itself on the exemplary staff that gives all that it can to serve its patients each day. This past year was no exception. In fact, the employees at MMC went above and beyond the call of duty, as demonstrated by the results of our best Employee Giving Campaign to date. The record numbers in participation and funds raised go a very long way to help:

- Patients in need of assistance
- Colleagues in crisis or those experiencing difficult times
- Medical departments and programs within MMC

Monmouth Medical Center Foundation would like to thank the following employees for their generosity towards this year's Employee Giving Campaign:

- ■ **Monmouth Medical Center Foundation**
- ■ **Barnabas Health**
